.....

Volunteer!

Why Volunteer?

There are many reasons....

- *Give back to your school and community*
- *Gain experience in a career*
- *Support a cause that's personally important*
- *Share an activity with family or friends*
- *Bring more balance into your life*
- *Bring about change*
- *Have fun*

Volunteering is important not only to give back to your community, it is essential in this day and age to be successful in your future. More and more colleges, scholarship programs and even employers are taking a closer look at community service. Getting involved demonstrates your civic responsibility.

I encourage you use this Community Service Booklet to start you on the path to volunteering or to expand your continued service!

Remember to keep track of your events and have FUN!
